The staff of the 1951 CLAIRVOYANT presents this book to you in remembrance of this year at St. Clair High School. As the years roll by and you look back upon these pages, may they bring back all the old memories of school days.

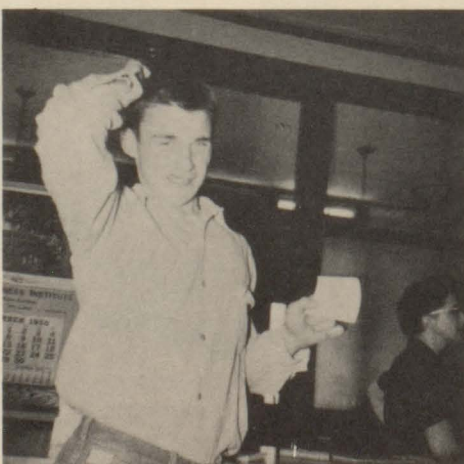

# STUDENT LIFE

As you travel south on M-29 you arrive at a town called ST. CLAIR. Looks peaceful, doesn't it? A stranger passing through might think so, but to show you the real lowdown let's look for a moment at the life of an average student in St. Clair High School. Of course activity doesn't confine itself to school entirely. It can be observed throughout the town.

On this page, and intervening pages, we will attempt to show what can, and does often, happen in a typical day to the students who roam the halls and stairways of S. C. H. S.

## EDITOR'S MESSAGE

In presenting the 1951 edition of the Clairvoyant, we, the staff, sincerely hope our purpose has been accomplished - to have the most successful annual since it's rebirth at St. Clair High School. In our work this year we have endeavored to fill every page with memories for each and every student; memories which, no doubt, will be appreciated much more five or ten years from now.

World conditions being as they are some of you seniors may be leaving our home ground for fields afar. Not only is this book to you, but of you for your parents, relatives and friends.

I wish, at this time, to thank all those people who were responsible for my being chosen editor of this year-book, an especially great honor inasmuch as I still have a year in high school. I sincerely appreciate the privilege entrusted to me. I also would like to express my gratitude to the advisors, Miss Moran and Mr. Burgoyne, for their unlimited guidance and the staff members who have contributed their time and efforts in making this book a success. We have truly enjoyed doing this work and on behalf of the student body I would like to say to the seniors Good-bye and Good Luck.

# STUDENT LIFE

And here we have another glimpse into the hilarity and confusion of a typical student's day at school. Minor tragedies, forgotten moments, and the all too well remembered incident of slumbering in "Burgies" history class in 307.

We never knew who stacked those lockers, but we were pretty certain. Retaliations came often. Lunches in the cafeteria and trying to escape those sneaky CLAIRVOYANT photographers! All was chaos, confusion and carefree-----to be concise, those days are gone forever!

# DEDICATION

It is with a deep sense of admiration that the staff of the 1951 CLAIRVOYANT announces the dedication of this yearbook to a man who has devoted twenty one years of public service to the citizens and schools of St. Clair. As a teacher and educator he worked tirelessly to give students the best instruction, the most complete facilities and every opportunity for furthering their education and training for a successful life.

As an administrator he always makes every effort to be forward looking in his duties, desirous that both his students and employees are happy and successful in their work. He maintains excellent relations and a strong feeling of cooperation between school and community.

As a citizen he is endowed with a strong sense of obligation and responsibility revealed in the untold hours he spends leading community activities, committees and projects. He participated in many groups within the community, county, state and the nation concerned with improving both education and the public welfare.

In token of our esteem, respect, and sincere appreciation, we dedicate this book to Theo V. Eddy, Superintendent, St. Clair Public Schools.

# SENIOR CLASS HISTORY

The class of '51 entered St. Clair High School eighty-three strong, gathering its members from St. Mary's and all the rural schools as well as from our own public school. Mr. Eggers, advisor of the first section of the class, had as officers in his home room; president, Roy Kapanka; secretary, Mary Kraft; treasurer, Charles Distelrath. Coach Waytulonis, the advisor of the second section, had as his officers; president, Earl McCartney; vice president, Betty Rose; treasurer, Melvin Marsh. Our Student Council representatives were Clyde Hasler and Thelma Miller. That year we gave our first school party, the May Dance which was, we are glad to say, a success.

The next year we were upperclassmen and made our home on the third floor (Though we complained of having to climb the extra flight of stairs.) We now had only seventy-one members. The officers of Mr. Eggers' homeroom were; president, Clyde Hasler; vice president, William Landon; secretary, Mary Grieg; treasurer, Shirley Fordt. Mr. Saul, the advisor of the second section had assisting him; president, Sam Webster; vice president, Harlan Minor; and secretary, Joyce Ruff. Our Student Council representatives, were Joyce Ruff and William Bliven. Having need for a class treasurer we elected Joyce Ruff. Some of the boys were now playing Varsity sports and we turned out often to watch the games. This year Harry Mayhew was elected vice president and Joyce Ruff secretary of the Student Council.

We were juniors when we came back to school in the fall of 1949 with ideas of raising money for the Junior-Senior Banquet. Miss Fritz and Mr. Eggers were the advisors who saw us through all our problems. Our class officers were Harry Mayhew, president; Dan Beach, vice president; Sam Webster, secretary; and treasurer, Shirley Fordt. We elected Mary Greig and Joanne Williams and Charles McManigal to serve on the Student Council. To start making money, we sold refreshments at the football games.

Br-r-r- but it was cold at times. For the Carnival we put on a minstrel show in which Bill Landon impersonated Al Jolson.

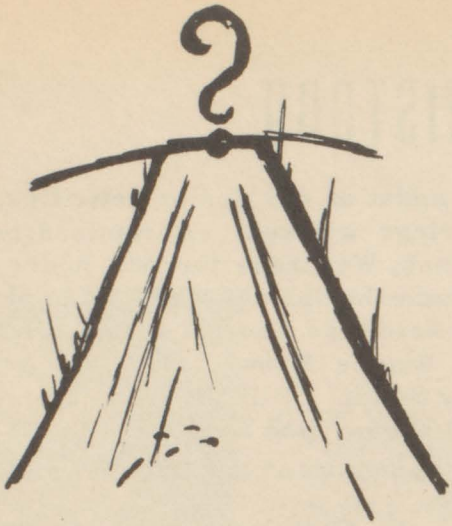

In the midst of our Junior activities, our class rings arrived, as promised, before Christmas. We chose for our junior play "And Came the Spring" which starred such famous actors as Georgia Cronkhite, Mary Greig, Eunice Brown, Mary J. Koenig, Dorothy Smith, Bill Bliven, Ray Ellis, Harry Mayhew, Don Leach and Dan Thom-tained the seniors at the Black River Country Club.

. . . Oh, by the way, that year we won honors in the Student Council in the spring elections: Harry Mayhew was elected president; Dan Beach, vice president; Dorothy Smith, treasurer; and William Bliven, publicity manager of the Council. Carol Carri-gan was elected editor of the ECHO.

Now at long last we are seniors !!! There are only forty-seven of us, and of the forty-seven, only ten have been together since kindergarten days. Miss Fritz and Mr. Eggers have continued to serve as our class advisors. Our officers are Harlan Minor, president; Joanne Williams, vice president; Dorothy Smith, secretary; and William Gearing, treasurer. Mary Greig and Joanne Williams are serving as Student Council representatives. "Glamour Boy" was our play of the year, with Ray Marvin and Thelma Miller in the stellar roles. At the Carnival we operated the Bowery with a truly remarkable floor show. A large number of the senior boys and girls ran the check room at the Fireman's Ball and also at the Diamond Crystal program to earn money for the spring trip. Joyce Ruff has been awarded the D. A. R. citizenship for girls. Now remains the long awaited moment. . . the day of the Washington trip, May 14th, and after that the wonderful banquet the juniors will give us on our return, and after that . . . Commencement!

## PROPHECY

One June day in 1961 I went to a fortune teller in the depths of New York's Greenwich village, Madame Fatima, and there I discovered these amazing things about my old classmates of St. Clair High School.

First of all she told me that the boy who was president of the class of '51, Harlan Minor, was now manager and star player for the Harlan Globe-trotters. Joanne Williams, vice-president, is teaching at Denby High School in Detroit; her classes in English are very popular with the boys. I found that Dottie Smith, Secretary of the class of 1951, has acquired the position once held by Rise Stevens at the Metropolitan. Bill Gearing, the treasurer of the class, is now competing in the Indianapolis Speedway races for his third win.

And strange as it may seem I learned that Don Beach, the father of three blonde damsels, is starting a series of lectures at the Smithsonian Institute. Jeanne Brewe, the great horse lover, is exhibiting her one woman show at the New York Museum of Fine Arts. The new owner of Carmon's

Cleaners, now the Bliven Cleaning Emporium, Bill Bliven is pressing pants for the whole of St. Clair. The leading Court reporter of the Supreme Court is an old member of our class, Sally Brinker, who is doing a marvelous job. The first woman Justice of the Supreme Courts, also a member of the class of '51, Georgia Cronkhite brings a great honor to St. Clair. Mary Cox has taken the high place in the home economics department of the old high school on the retirement of Miss Katherine Balfour.

The head of the atomic research at Oakridge, Tennessee is also a former member of our class, Bill Closs. Jenny Corry is busy as the proverbial bee keeping track of her four little Fordons while Papa Fordon is laboring for his daily bread at the Diamond Crystal, where he is manager. Lee Ceasar, commonly known as Julius, is kept very busy tending to the chimpanzies at the Detroit Zoo, where he is head caretaker. Auctioning off tobacco for LSMFT is Jean Densmore, who has replaced the star auctioneer in old Kentucky. Donna Denby is owner and manager of Donna's Baby Sitters, Inc. Ray Ellis is associated with his father-in-law, Willard Bailey, as pilot at the St. Clair County Airport. Eleanor Frandrick has her own show on TV which has put "Our Miss Brooks" out of business. The head clerk in the office at Biewer's is Shirley Fordt, a whiz on the typewriter. Jack Faucher is busily polishing the ivories at the Shamrock Hotel in Houston, Texas, where Cookie Kraft is hostess and occasionally sends a smile Jack's way.

Head nurse at the well know Wass Clinic, specializing in brain surgery, is our own Mary Greig. It is located in the thriving city of Adair. Second baseman for the famed Detroit Tigers is the famous Joe Huber, who spends the time he is not on the diamond raising purebred Hereford cattle

# PROPHECY

on his well-stocked farm. New owner of the Johnny Stubbs Mobilgas station is Clyde Hasler, who spends his spare time racing up and down the roads of St. Clair county in a hot-rod. House Mother for the Beta Theta Pi fraternity at the University of Michigan is our quite little Carol Hanse, who is well beloved by all her boys. Associated with the Red Cross as a social worker is Evelyn Kenyon who is now located in Washington. Chief investigator for John Edgar Hoover in the safety department is Freddy Kindsvater who is well remembered for his safety record in his high school days. Struggling with her new name is Genevieve "Clarabelle" Kuberski Zinkivach who is hoping it can be changed to Mrs. Zink for short. Making out menus for the patients at the famous Mayo Clinic is Mary Jane Koenig since she learned the rules at St. Mary's. Head of the world famous Conover Modeling School is the handsome Bill Landon. That way he gets to look over all the pretty girls. Finally finishing his last year at Bradley, where he starred on the basketball court, is Don Leach, our high point man at high school.

The only two bachelors left in our class, Alvin "Tobby" Zimmer and Don McDonald, are joint owners of the largest cattle and pig ranch in Wyoming. Chuck McManigal, leader of the highest paid dance band in the land, gives exhibitions of the Charleston in Hollywood in his spare time. Marilyn Meier is now owner of a horse farm in the

grand old state of Virginia where she raises horses to run in the Kentucky Derby. As beloved by millions of Americans as she was by her St. Clair school mates is our own Thelma Miller, who is now heading the hit parade of stars in Hollywood. Lucille Raymond is busily engaged in keeping house all by her lonesome while she waits for her Navy man to come ashore. Betty Rose is hauling down immense tips and attracting many glances from admiring males at the Chez Paree in Chicago, as a hat check girl. Joyce Ruff is a big time operator as secretary for the president of the Chase National Bank in New York City. A runner for the bank is the light of her life, Rommie Sipple.

Starring in her own roller derby team, is the live and supple Susan Stenger, our girl wonder on the skates. Roy Stubbs, chief pilot of the Pittsburgh lines, has just married the daughter of the owner of the line, while Danny Thomson is swabbing the decks. Staying in St. Clair where he is head bookkeeper is Sammy Webster. Marion Zwing is happily married to Ralph Johnson and is busily engaged in raising a family. Carol Carrigan is now playing the lead in "Mourning Becomes Electra," which is beginning its fifth season on Broadway. Charlie Olds has just received the commission of Lieutenant Commander in the Marines, while Ray Marvin is collecting blisters peeling potatoes all day long as a Seaman in the Navy.

This year there are over sixty girls in the Senior High Glee Club.

The Glee Club is an organization which provides a means of self-expression in vocal music as an aid to musical appreciation.

The Glee Club also offers to its members an opportunity to use the only live musical instrument, the human voice, in acquiring a good musical taste as creators and interpreters as well as listeners.

The results of music training in the classroom must be transferred to the community and its institutions. To fulfill this obligation, the Glee Club performs several times each year, namely the Christmas program, "Your Christmas In Song," a spring concert and County Musical Festival where we sang under a guest conductor. The Club also participates in other school programs and several community performance.

We have enjoyed our work very much this year under Mr. Scott.

The ECHO has sounded and resounded in St. Clair High's corridors this past year. The staff, comprised of volunteers, has worked enthusiastically to publish all school news in an interesting manner. There have been the inevitable obstacles, at times, but each was met with an even better issue.

The editor-in-chief of the ECHO this year was Carol Carrigan. Georgia Cronkite was her assistant editor. The intricacies of an erratic Mimeograph machine were known and conquered by Claudia Cain as production manager. Mary Jane Koenig wielded the style as art editor. The troupe of reporters were: Rosalyn Edwards, Sally Brinker, Tommie Miller, Sally Lee, Marilyn Sibilla, Pat Johnson, Eleanor Fandrick, Marliy Matthew, Joanne Williams, Shirley Fordt, Dick Nauman and Tim Siess. Mr. Elfring was the advisor.

# FOOTBALL SYNOPSIS

SEPTEMBER 15 - Before a large crowd of cheering fans our St. Clair team met Capac for their first game of the season. At the kick-off Hasler received the ball and went for an 80 yard run the first St. Clair touchdown of the 1950 season. The team then sent Boulrier and Frantz over for two more T. D. Beach followed through with two more. Hasler's extra point made it 31-6.

SEPTEMBER 22 - Keeping up with the same spirit and team work, the team met Marysville for their second game. The team with the coaches and fans behind them overpowered Marysville with quite a satisfactory score. Gearing, Beach and McWain went over for the T.D., and two of Hasler's extra points were good.

SEPTEMBER 29 - In high hopes of another victory we followed the team to Richmond. The team played good football but just didn't seem to have that all important punch to overpower the "Blue Devils." The Richmond team took the game and the final score was 13-0.

OCTOBER 6 - After their first defeat the "Saints" returned to meet Holy Cross. The team disgusted about losing to Richmond, was determined to beat Holy Cross. Bill Beaudua and Dan Beach went over for the two T. D. and made this game another win for St. Clair. One of Hasler's extra points were good making it 13-7.

OCTOBER 13 - This time we journeyed to Algonac for their home coming. The "Saints" all evening continually smashed the line of their opponents but were unable to get through for those much desired T.D. The Algonac team took the game 12-0.

OCTOBER 19 - Following team to St. Stephens we hoped for another victory after our defeat from Algonac. In the first half it looked like St. Stephens game, but in the second half the St. Clair team came back to make their showing. Don Leach came through for the first T. D. then Beach came through with two more. Gearing caught the pass for an extra point making it 19-12.

OCTOBER 27 - Despite the snow and rain we followed our team to Marine City to witness a hard fought battle between the two teams. In the field of mud and water fumbles occurred very often during the game and both teams found it very difficult to play the football of which they were able. The St. Clair team had to fight for every yard they received and then sent Beach over for that all important T. D. ending the game with a 6-6 tie. Tying the game St. Clair kept the ball awarded to them in 1949 by Finsterwalds.

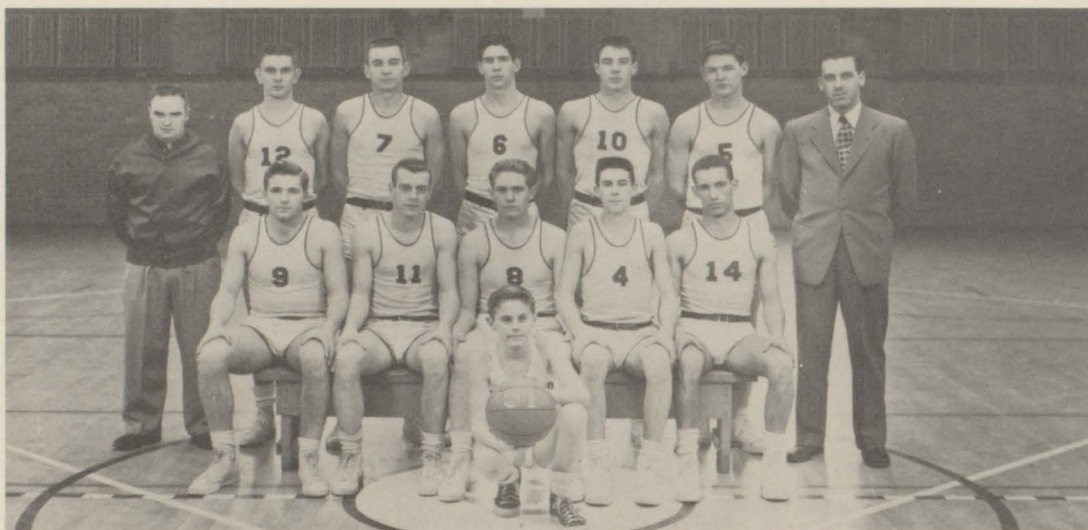

NOVEMBER 3 - For the last league game of the 1950 season our team met New Baltimore on our home field. Even though the weather was cold the team, supported by the cheering fans and the faith the coaches had in them made the last game in a victory. Gearing and Boulrier went over for the 1st two T.D. Then Hasler and Beach went over for two apiece. Gearing caught the pass for an extra point making it 36-13.

For an exhibition game we journeyed to Crowswell to play Crowswell-Lexington. In the bitter cold we saw a rough, tough battle between the two teams. The St. Clair team was overpowered by their opponents, Hasler made the lone T. D. and the final score was 27-6.

St. Clair took second place in the final standings. They won 6; lost 2; tied 1. Their total points 132 to their opponents 95.

The "Varsity" of 1950-51, coached by Mr. Bohs, had a very successful season winning 18 and losing 3. These totals included the District and Regional Tournaments. The Varsity received two trophies for their fine work. The members of the Varsity elected Harlan Minor and Dan Beach as co-captains. The team is composed of the following players: Bill Gearing, Lee Ceasor, Don Leach, Dan Beach, Harlan Minor, Ron Sippell, Clyde Hasler, Ray Ellis, Joe Huber, and Dave Schaaf. All of these fellows received a Varsity letter for their excellent team work.

## RESERVE BASKETBALL

The Reserve Squad, or "Little Saints," has an equally impressive record as they ended the season with a 13-2 record, losing only to Yale by 1 point and to Richmond by 3 points.

The scoring was pretty well divided, but the Sophomore's team, comprised of Ken Sippell, Bob Smith, Ken McWain, Carl Pollex, and Bill Rankin, provided the big punch. Archie Skoneiczny, Larry Boulier, Walter Mau, Don Tassie, and Jack Varty were right behind these boys.

## DISTRICT TOURNAMENTS

Drawing Algonac for the first game of tournaments, we witnessed one of the best games of the season. The "Varsity" worked together, had their hearts in there to win, and defeated Algonac 39-38.

By defeating Algonac, St. Clair played Marine City in the second game of the tournaments. St. Clair was the superior team and proved that they were to be champs. Our "Varsity" took the second game of the tournaments by quite an overwhelming score of 50-23.

For the last game of the contest, we played Richmond. Again St. Clair showed better ball handling and team work, and won this all-important game. This game was much harder than the Marine City game, but the "Saints" came out on top with the score 49-37. St. Clair had won the District Tournaments and now they journeyed to East Detroit for the Regionals. The Varsity received a trophy and each player received an award for being the 1950-51 Champs.

## REGIONALS AT EAST DETROIT

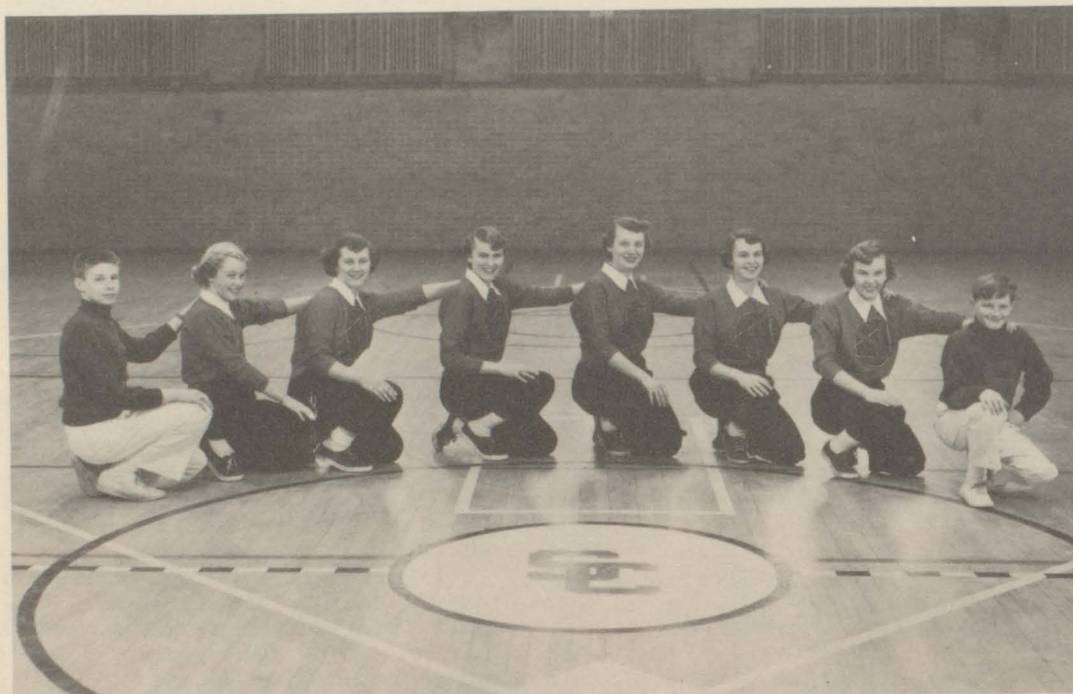

Our "Varsity" played Lake Shore for their first game of the Regionals. Lake Shore played good ball, but our "Saints" proved far better. The final score was 52-45.

The next game was played with St. Benedict. This was a close, last game, and the fans who followed St. Clair were filled with tension but had faith that the fellows would win. The game was close, but St. Clair was ahead and won with a score of 44-42.

In the last game of the Regionals, we played St. Alphonsus. Everyone knew this would be a rough game, but we didn't think it would be that rough. In the last quarter, it was tied with a nice shot by Beach, 54 feet from the basket, and then in overtime St. Clair lost out. The final score was 40-41. St. Clair had played its hardest, and everyone agrees that the team will be superior again next year.

The girls were conscientious and attentive at the practices and games. Practices were held on Mondays and Thursdays after school. A few extra practices were held on Sunday afternoons. The girls worked well together and cooperated with their yell leader.

New uniforms for the football season were appropriated for by the Athletic Association and School Council. These uniforms consisted of blue corduroy slacks, red sweat shirts, and blue tennis shoes. The fellows expect to get new uniforms.

The squad introduced several new cheers. Also some songs and chants. The student body was helpful in giving us some of the above.

Our advisor, Mrs. Finnigan, drilled us and was of a great help throughout the year. We would like to thank her for giving up her time and effort.

The first Pep Meetings of football season were given by the cheerleaders. The rest were given by homerooms. The Pep and Rally committee took over the Pep Meetings during basketball season.

The yell leader, Carol Tassie, was elected by the student body in the spring. The rest of the squad was chosen by judges in the fall. They are as follows: "Nippy" Edwards, June McGregor, Donnabell Ross, Nancy Schaaf, Carol Gannon, Charlie Marvin and George Roegner.

"Bushel and a Peck"

"Tennessee Waltz"

"Goodnight Sweetheart"

"I Said My Pajamas"

Aside from all the activities of our typical student, most of us find time to eat three meals a day. Then the evening begins with a dance and probably a trip to "B's" afterward. Thus we are ending a day packed with a lot of fun and memories.

As you travel the rough road to success, may you look back and remember the days at St. Clair High as some of the happiest of your life. With that thought in mind, we say "good-bye and lots of luck."
